
JOURNAL ARTICLES

Print format may also be used for those found in databases. Exclude the digit in the 100s when concluding page is in same range as first page.

E-Journal Article with a doi from a database

BOOKS

Book (print) with two or more authors

E-Book (edited): use url displaying when book is reached (opened)

Chapter of a book that is a collection of essays:

Put chapter (or essay) title in quotes and book title in italics. Use Pp. and page numbers to designate where the chapter is found in the volume. Do not invert editor(s)' name(s). Use initials instead of first and middle names for editor(s).

WEB SITE (use n.d. if no date)
