# PRAYER DANCE PROJECT

Adjunct Professor of Dance Ruth Arena and students in the Dance Minor program at LeMoyne present an experience of dance as prayer. Join us as we explore dance as a direct reflection of the soul, as a way to fall in love with the spirit of all things, and as a connection between all humans. Designed to engage with our community this event aims to encourage reflection, give a peaceful pause in a busy life, and stimulate breath and movement in everyone.

Come early and visit the Opening of Robert Gullie's exhibit Pieces of me: Heart to Hand in the Wilson Art Gallery!
